2023

Foundational knowledge of AWS cloud services and cloud computing

EXTRACURRICULAR

- I really like doing extreme sports. Currently, I am doing wakeboarding, surfing, snowboarding, and bouldering.
- My passion is designing concepts for greenhouse pyramids, airships, and eco-friendly cities.
- I enjoy traveling and connecting with people during my journeys.
- I practice swimming, yoga, meditation, and breathwork.
- I am a passionate Skat and Doppelkopf player (North German Junior Champion 2021 in Skat).
